LIP TINT MASTER-CLASS

MASTER JUDY NGUYEN

LIVE TRAINING + DEMO VIDEO + PRACTICE DAY

WHO IS IT FOR?

This class is designed for experienced lip PMU technicians who are struggling with controlling healing result and not confident with the tinting process or the healed result. This proper training from a leading industrial master in the industry is promised to help you point out your mistakes and upgrade your skills. Any matters that you are experiencing including the ones you don't even know will be solved. For all the lip artists

who are already confident with this technique, you can always find something valuable in this course that does nothing but help you work more efficiently.

WHAT'S NEW?

The advanced lip tinting techniques delivered in this course by Master Judy are expected to bring an outstanding result compared with old techniques

- updated in-depth theory
- latest techniques with no anaesthetic needed

- less pain, less swelling
- less working time for technician
- no resting time for client
- fast healing process
- natural looking colour
- highly predictable and beautiful healed result
- ability to neutralise dark pigmented lips

THE TRAINER

With working experience in thousands of customers of different skin types and specialised expertise in dark lip neutralisation, Master Judy Nguyen has a lot of secrets to share. She has trained many top semi-permanent artists around New Zealand and Australia. Her focus is achieving the best-healed result.

Please follow her social media accounts below to see her amazing works:

COURSE STRUCTURE

- ✿ **Live training session: theory training**
- ✿ **Google classroom: communication & support**
- ✿ **Practical workshop: live model practice**

It is designed to be flexible with your need and also to maximise your time with home practising, online communicating and practical workshop.

1. Live webinar: 9am - 12am

- In-depth customer consultation
- Lip & lip skin structure
- Tattoo machine, needles and how they work
- Different types of lip with natural pigment and dark pigment, and how to recognise each type.
- Lip pigments: nature, quality, pros and cons
- Lip colour theory, how to mix colours to suit client's needs. Answer the question why tattooed lips heal pink
- Lip tint technique, learn to create different lip effects by adjusting the shading movement and the saturation of the pigment
- Full knowledge of neutralising dark pigmented lips
- How to correct existing colours
- Before and After Care to achieve the best healing result
- Factors influencing the possibilities of the colour retention.
- Unlimited support by our master and free updated technique in the future
- Join our professional group with other artists to share knowledge and experience
- Home-works, questions and answers

2. Google classroom

This is an online platform for communication between the trainer and students. There will be home-works for student to complete before and after the practical workshop. Student must practise at home according to instruction and submit your home-works in Google classroom. Judy will fix your works and answer your questions via communication in Google classroom.

Google classroom is also a platform to share knowledge and for the trainer's support after the training. Student can get back to Judy with any questions after the training within the time of support.

Please note: computer or smart phone and internet access are needed to join these online platforms.

3. Practical Day: two full days 9:30 am - 5 pm (optional)

Day 1: Theory review & practising on latex

Day 2: Practising Lip tint techniques on 2 live models

Graduation process

1. Student will receive a Certificate of Attendance upon finishing the workshop training (not applied for online students)
 2. After the practical workshop (or after the Skype session for online students), student will commence online learning via Google Classroom.
- Student is obliged to complete and pass tasks/assignments assigned/instructed by Master in order to receive Certificate of Achievement. An average of 60 mark is required to graduate.
 - Master will mark your works within 48 hours (excluding weekends, public holiday, sick leaves, etc.)
