

FABULASH BROWS

LIP TINTING

Live Webinar + Demo Video + Practical Day
Master Judy Nguyen

This course is for beginners who have little or no experience in Permanent Make Up, who would like to join the beauty industry or come back after a long break without practice. It is best for those who haven't had machine training or not been actively tattooing and not confident with their skills.

This course is a well-rounded training program designed to help you step into the industry and get the confidence you need. Judy will teach you everything from A to Z to deliver a beautiful heal lip tint work

The Lip Tinting techniques by Judy have advanced features and outstanding result

- ✓ no anaesthetic needed
- ✓ less pain
- ✓ less swelling
- ✓ less working time for technician
- ✓ no resting time for client
- ✓ fast healing process
- ✓ natural looking colour
- ✓ highly predictable and beautiful healed result
- ✓ ability to neutralise dark pigmented lips

Fresh lip work

Learn from the best!!!

With working experience in thousands of customers of different skin types and specialised expertise in dark lip neutralisation, Master Judy Nguyen has a lot of secrets to share. She has trained many top semi-permanent artists around New Zealand and Australia. Her focus is achieving the best healing result. Course structure

- ✿ **Live training session: theory training**
- ✿ **Google classroom: communication & support**
- ✿ **Practical workshop: live model practice**

1. Live webinar (Skype 9am - 12pm)

Theory training is delivered in a live webinar via Skype. We will arrange a date and time and let you know prior to the training. You will learn

- In-depth customer consultation
- Lip & lip skin structure
- Tattoo machine, needles and how they work
- Different types of lip with natural pigment and dark pigment, and how to recognise each type
- Lip pigments: nature, quality, pros and cons
- Lip colour theory, how to mix colours to suit client's needs. Answer the question why tattooed lips heal pink
- Lip tinting technique, learn to create different lip tinting effects by adjusting the shading movement and the saturation of the pigment
- Full knowledge of neutralising dark pigmented lips
- How to correct existing tattoo colours
- Before and after care to achieve the best healing result
- Factors influencing the possibilities of the colour retention
- Home-works, questions and answers

2. Google classroom

This is an online platform for communication between the trainer and students. There will be home-works for student to complete before and after the practical workshop. Student must practise at home according to instruction and submit your home-works in Google classroom. Judy will fix your works and answer your questions via communication in Google classroom.

Google classroom is also a platform to share knowledge and for the trainer's support after the training. Student can get back to Judy with any questions after the training within the time of support.

Please note: computer or smart phone and internet access are needed to join these online platforms.

3. Practical workshop (2 full days 9:30 am - 5 pm)

Day 1: Theory review & practising on latex

Day 2: Practising lip tint techniques on 2 live models

Graduation process

1. Students will receive a Certificate of Attendance upon finishing the workshop training (not applied for online students)
 2. After the practical workshop (or after the Skype session for online students), students will commence online learning via Google Classroom.
- Students are obliged to complete and pass tasks/assignments assigned/ instructed by Master in order to receive Certificate of Achievement. An average of 60 mark is required to graduate.
 - Master will mark your work within 48 hours (excluding weekends, public holiday, sick leaves, etc.)
